TEAM ELIGIBILITY:

1. There is a dedicated registration window between Jan. 12th - Feb. 28th where the following 12 NW club teams are each allowed one entry:
 - a. San Jose, Santa Cruz, SF, SF Youth, Sebastopol, Truckee/Sirens, Willamette, PDX, Seattle, Olympic Orcas, Nova, & Rumblefish.
 - b. All players on these teams should have valid 2026 USOA/CUGA membership affiliated with the UWH club team they are competing.
 - i. The Tournament committee recognizes that it may not be feasible for all clubs to organize a complete team and teams made up of a combination of local clubs may be accepted in lieu of individual entries. Club combinations or any roster exceptions should be submitted for approval by emailing NorthwestUWH@gmail.com with your request.
 - ii. Any orphan NW players or partial clubs should contact the tournament committee by emailing NorthwestUWH@gmail.com if assistance is required with team building/joining.
 - c. Additional (2nd or 3rd) teams from any club will not be allowed to register until the dedicated registration window has closed and all club/club combo teams have been reviewed and approved.
2. It is anticipated by the tournament committee that between 8-10 NW club teams will register during the dedicated window and one playing court will be utilized.
 - a. If more than 10 club teams register during the dedicated window, the tournament committee will discuss how best to accommodate the high volume of teams, including possible shortened games, or two court set-up.
 - b. If fewer than 10 teams register during the dedicated window, an additional invite only registration window between March 1st-15th may be extended by the

- tournament committee, if it is determined by that committee that specific additional teams will add value to the tournament.
- c. The tournament will be capped at 10 teams during the invite only period.
 - d. Invited teams may be targeted to improve competition in either A or B Divisions.
3. All registered, approved teams will be allowed full participation in the event and finals games.

TRAVEL & LODGING: If you need to fly, we recommend arrival/departure from San Jose Mineta International Airport (SJC). The pool is about a 25 minute drive from the airport. Rides may be available from the airport to pool/hotel from local Bay Area players.
