

Inter-clubs Tournament 2024

Registration for the Inter-clubs tournament is nearly here! Please find the description and details below.

TLDR: Register your team on the portal when available and pay your deposit and team entry fee on time or lose your spot in line. There will be a two-team waitlist after the available spots are taken. Only one team may be reserved per person, and reservations are non-transferable.

We will have # Division(s):

- A Grade Men
- A Grade Women
- B Grade Men

We can accommodate a total of 16 teams.

To register your team visit www.uwhportal.com, sign in, and then navigate to the event page. The only information required to make a team is a team name (can be edited later). Any other team information can be added/edited later. Once you have registered your team, your players can request to be added to your team or you can invite them to your roster.

Once you have registered your team on www.uwhportal.com please send in your deposit within 1 week. This non-refundable deposit secures your team's spot and will count towards your team's entry fee. If you are confident in your team's attendance you may send the entire entry fee all at once (if you need to withdraw, your entry fee will be returned minus the deposit and any transfer fees).

We will have a Dedicated Referee in the water and as Chief for every game! Your team must still provide a water referee after each game you play. There will however, be an option for up to 10 teams to opt-out for this tournament by paying a R2000 opt-out fee in addition to the team entry fee. Note: This opt-out is not guaranteed, reserved on a first-paid, first served basis (after the team is created), depending on the number of teams registered and number of hybrid referees available. Please make sure to indicate you are paying this extra fee when you submit your deposit/payment.
