The pool is approximately 30 minutes from the Portland International Airport (PDX) and there are myriad hotels within a 2 mile radius of the pool.

There is a possible option to camp at a Portland UWH club member's property in Estacada, OR approximately 30 minutes from the pool (will update).

Fees:
\$500 per team, no ref opt out available.

Please send tournament fees via paypal to Portlanduwh@gmail.com (@PortlandUWH).

Competition format:

Teams will have 3 players actively playing and up to 3 players in the sub box. Teams will be capped at 8 total players on the roster.

This is a **co-ed** tournament. Each team will be required to have at least one woman in each game (1 of the 6 players) either in the sub box or in play.

If 8 or fewer teams are in the final roster, teams will play a full round robin with each team playing 9-10 games total. If 9-10 teams are in the final roster, teams will be allocated to two pods and there will be a round robin within each pod.

We will be attempting to replicate the Columbia 3x3 setup using an octagonal playing area that is 12.5 yards long by 12.5 yards wide. 7 minute halves for every game.

Referees:
Minnesota Rule. Each team will supply two referees after each game. Referee configuration will be 2 water refs, 1 deck (chief) ref, and a scorekeeper/timekeeper.
