We need individual players to register for US Nationals at <https://uwportal.com> as well to ensure we can track their cap numbers for scoring and rostering purposes. You can invite and add your players as part of the team creation process.

**Rules for Team Formation:**

The US UWH Nationals Tournament is meant to be a "club" event. With that in mind, please be aware of the following rules concerning team formation:

- One player from a foreign country is allowed on your team.
- Players whose home clubs are playing in US Nationals are not eligible to play for other clubs.
- Foreign teams are not supported to play at this time.
- If players need to form a team from multiple clubs because they don't individually have enough players, this is encouraged. Such teams will need to be approved by the Tournament Director, Mike O'Leary. Please email [goyalion@gmail.com](mailto:goyalion@gmail.com) for approval to form a team from multiple clubs. "Super Teams" will be discouraged, especially if players are coming from clubs who are planning to attend nationals.
- Email the Tournament Director, Mike O'Leary, at [goyalion@msn.com](mailto:goyalion@msn.com) with any questions or concerns.
