

Hello, fellow underwater hockey enthusiasts!

Orange County Octopush is pleased to announce the 2<sup>nd</sup> annual Orange County Cup!

This tournament will be held on March 8-9, 2025 at the Woollett Aquatics Center in Irvine, CA. The pool address is: 4601 Walnut Avenue, Irvine, CA 92601 USA.

We are planning on using 1 playing area to accommodate up to 8 teams, which facilitates an optimal tournament experience. (If we have 12+ teams interested, we will look to add a 2<sup>nd</sup> court).

This OC Cup will have 1 competitive grade with no age or gender restrictions:

- Open (a second grade may be added if we expand to 2 courts)

Please feel free to forward this announcement to all teams/persons interested in playing...Tournament details and specifics are below!

Sincerely,

Your 2025 OC Octopush Executive Committee,

Alex Webster, Beven McWilliams and Casey Nakamura.

## **TEAM ELIGIBILITY:**

Important note: The OC Cup will be a club-only tournament. Non-Club teams can be accepted following national championship team rules and with approval by tournament organizers.

What does this mean?

- For a team to be eligible for playoffs and medals, all members of the team must be members of the same club, i.e. registered with their federation (e.g. CUGA or USOA) under that club as of Jan 31st 2025.
- If a player has a legitimate reason to change clubs and join one of the attending teams between Jan 31st and OC CUP, they may send an email to [Orangeuwh@gmail.com](mailto:Orangeuwh@gmail.com), and make a request to change clubs. Their request will be evaluated based on legitimacy of reason to change clubs, which include but is not limited to:
  - Moving for work or school with providing proof of hiring or registration
  - Moving for other personal reasons with providing proof of permanent / long term stay (rental agreement, change in driver's license...)

Note: Regional directors might be contacted to confirm legitimacy of club teams.

What if my team has some players from another club? Can we still play?

- YES. But you will not be eligible to play in the playoffs, once the round robin is over your team won't have any more games. We may, if enough non-eligible teams register, hold separate playoffs to offset the number of games missed (but we can't guarantee this) or perhaps have a set of potluck games where the remaining teams are mixed up and formed into new teams. This is subject to change based upon the number of registered teams and per discretion of the tournament organizers and team captains.
- If we have more than 8 teams (and less than 12) by the standard registration deadline, then priority will be given to club teams from the SW, NW and Western Canada. Club teams from outside of these regions will be given secondary priority, followed by non-club teams from any region.
- Confirmation of your team's spot will come by Feb 4th.
